

FMLIST URDS View and edit logbook entries

20.01.25

The basic requirement for using these functions is a valid registration at <https://fmlist.org>

1. Publication

After your logs have been uploaded using the URDS Upload (plugin or website), you can view, edit and transfer them to your personal logbook via this website: https://www.fmlist.org/urds/urds_panel.php

f - stationary / m - mobile

Number of records with/without RDS

Number of logs with PI/PS/only PI
